In terms of a current contact for the Mall, we understand that [REDACTED] is the site's Travel plan co-ordinator, she could be a good place to start.

Dear All

Thank you all for attending the meeting yesterday and as agreed I attach a copy of the programme both as a pdf and in Office Project mpp, so that you can update the actual programme.

If you do not have Office Project then just mark up the programme or send me comments and I will update.

I have also included Barra form YTL as YTL has a lot of information to provide, both in relation to CPNN and the Brabazon Hangers.

I will send out some notes of the meeting, with actions, hopefully by tomorrow.

Thanks
Nigel

Dear All

I issued that Agenda for the meeting on Wednesday earlier today.

I now attach a draft programme and would ask you all to review and comment and fill in where you have the information. I appreciate that it is not that easy to read, but hopefully it will give you an idea of the challenge we face.

I would like to review and hopefully complete this at the meeting.

Thanks for your help.
Nigel
